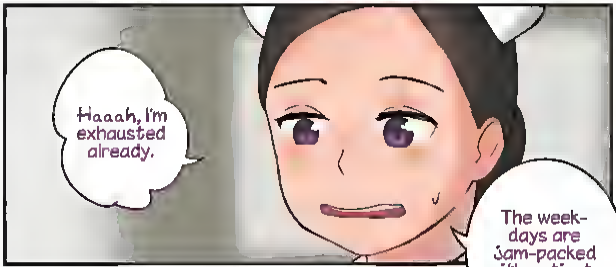
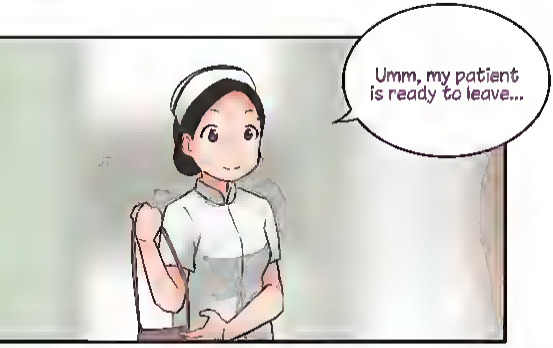
Morning, everyone.
Hey, Nop.
You're early today as usual. Thanks a lot.
Here is the next patient.
And all their documents.
Alright, got it.

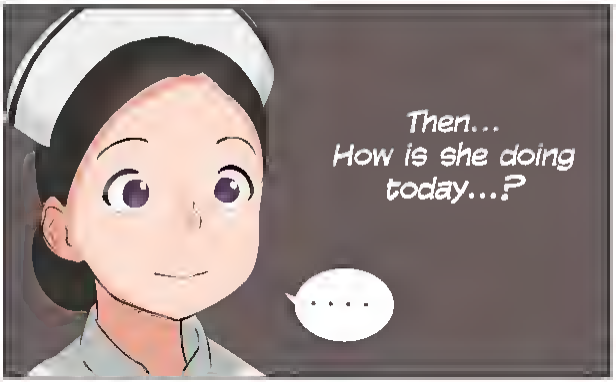


Haaah, I'm exhausted already.
The week-days are jam-packed with patients again, huh?

Today alone we've already discharged three patients, but even more have shown up... I leave the rest to you.
Bring it on. I'm prepared for the worst.
That reminds me, about next week's shift... Could I ask you to come in again?
A... Again?
Sorry, but we need all the manpower we can spare right now.
...Sure, I guess.
And you. Why are you just eating bread instead of a healthy breakfast?
I'm up to my ears in work! There's no time now to sit down and enjoy breakfast.



Umm, my patient is ready to leave...



Then...
How is she doing today...?

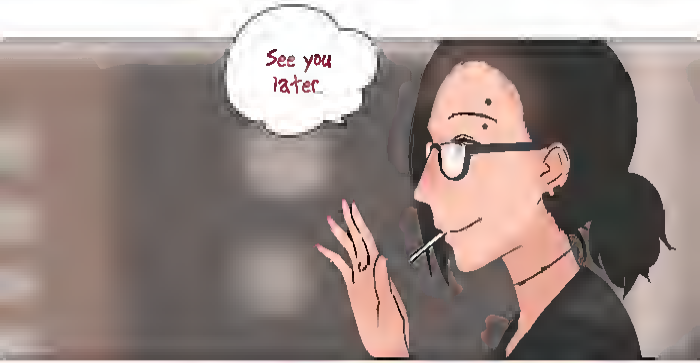
PR/N The following conversation is originally in English which unfortunately theterm is not extremely fluent in It is his comic and out of respect to the author I left most of the dialogue as is

The tattoo that you made for me is a masterpiece.
When I got back, everyone asked where I got it.
Good to hear that.
Let me introduce my good friend, John Zebra.
He's visiting from America and insisted on getting one of your works.
Sawasdeekub.*
Hm... This month I have a lot of work...
Come on, surely you have some extra time for John? I can pay what you want.

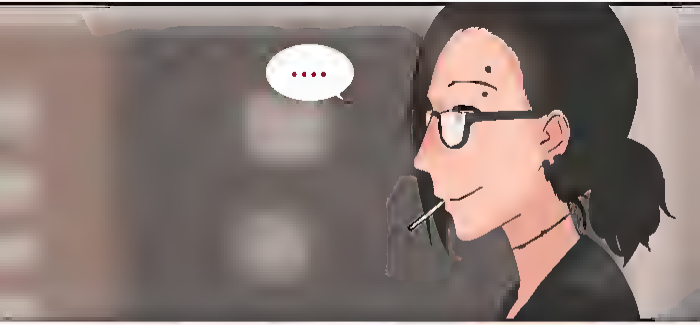
TL/N: Sawasdeekub is the Thai equivalent of "hello," and can be used in the same manner.

Here.
Is this enough?
Haha, of course!
I will make a special arrangement for you within this week.
TS Lol

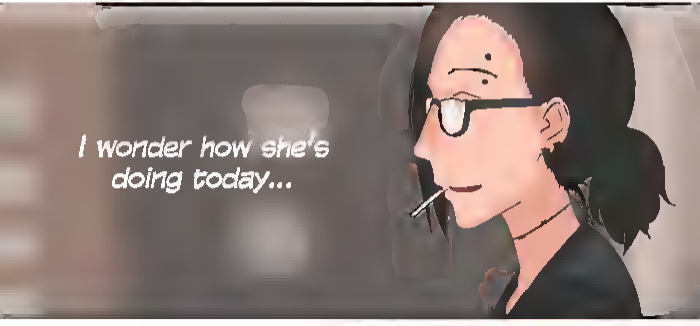
See ya.
Bye.



See you later.



....



I wonder how she's doing today...

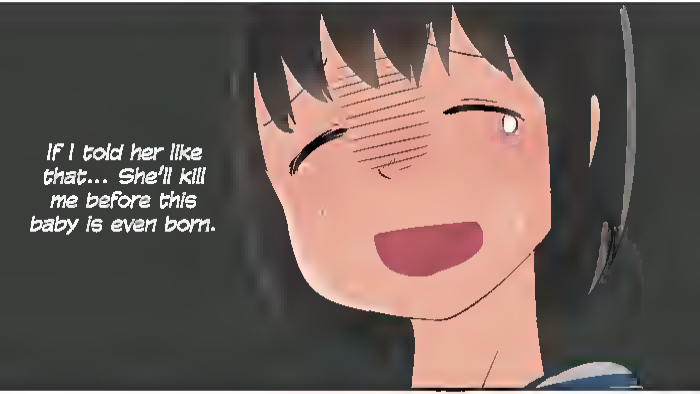
TEEN MOM

Chapter 20 | Let It Be

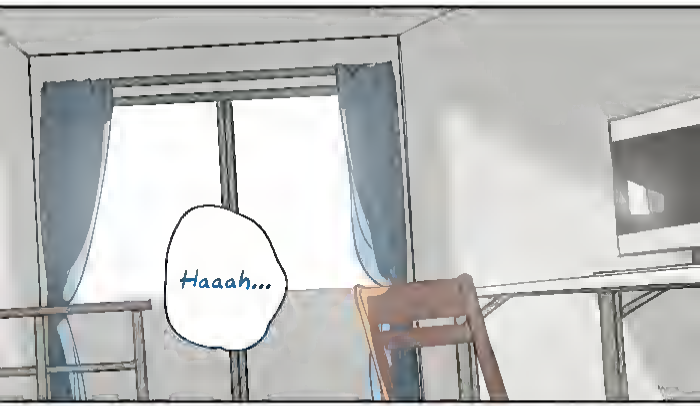
....

Mom?

SURPRISE!
You're going to have a new grand-daughter...

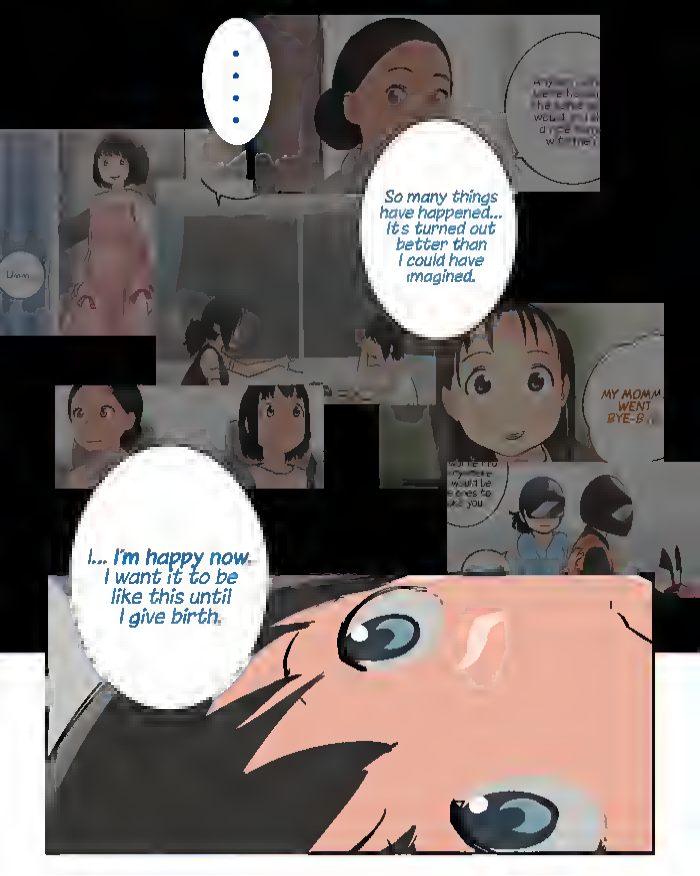


If I told her like that... She'll kill me before this baby is even born.

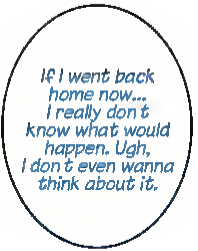


Haaah...

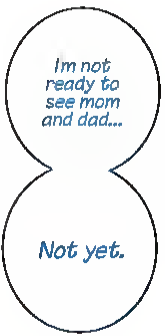
Since I got here...
Eight weeks have passed already, about two months altogether.
My first night sleeping here...
I was the loneliest I've been in my entire life.
But after that, I met Nop and Jane.
And they're both so supportive of me.



...
So many things have happened... It's turned out better than I could have imagined.
Umm
MY MOMM WENT BYE-B
I... I'm happy now. I want it to be like this until I give birth.



If I went back home now... I really don't know what would happen. Ugh, I don't even wanna think about it.



Im not ready to see mom and dad...
Not yet.

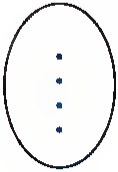
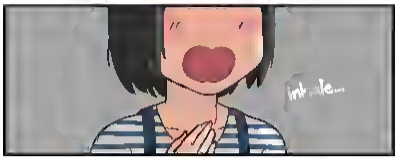
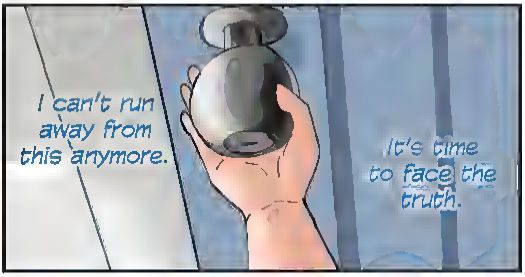
How could I have fallen asleep!
But... No, I'M NOT PREPARED!
IT'S DEFINITELY MOM!

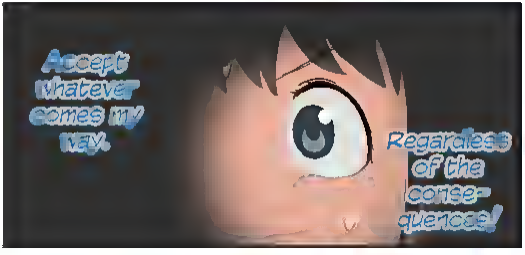




All I can do now is...

JUST LET IT BE.

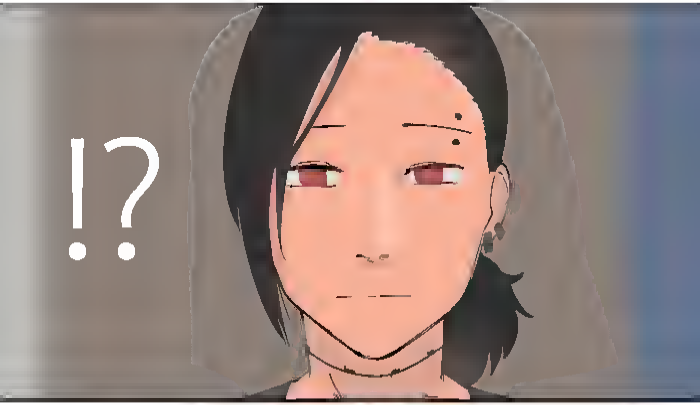




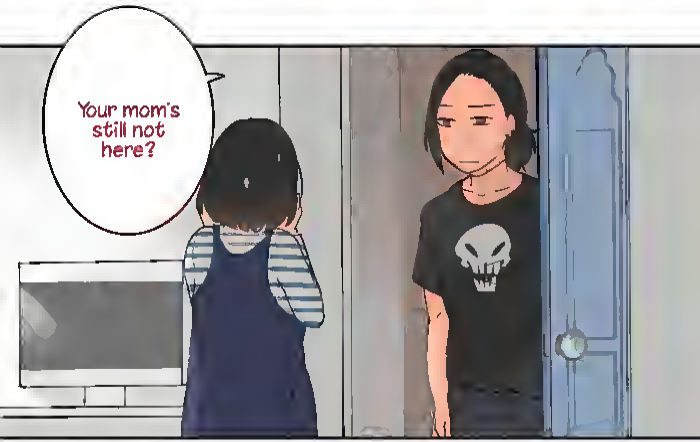
FOR MY BABY!

creek

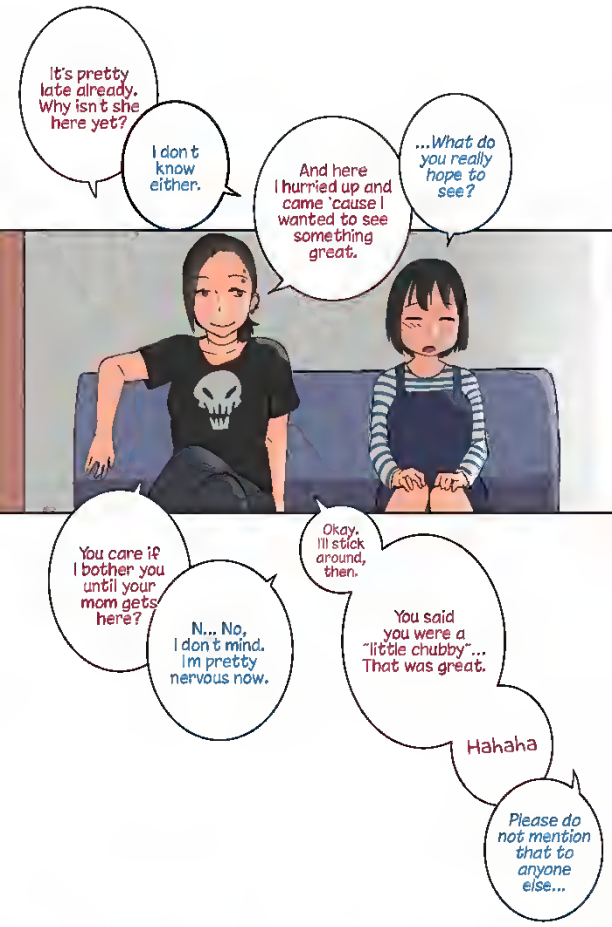
Hi, mom!
I ate a little bit more than normal,
So got a little chubbier... Haha!



!?



Your mom's still not here?



It's pretty late already. Why isn't she here yet?
I don't know either.
And here I hurried up and came 'cause I wanted to see something great.
...What do you really hope to see?
You care if I bother you until your mom gets here?
N... No, I don't mind. I'm pretty nervous now.
Okay. I'll stick around, then.
You said you were a "little chubby"... That was great.
Hahaha
Please do not mention that to anyone else...

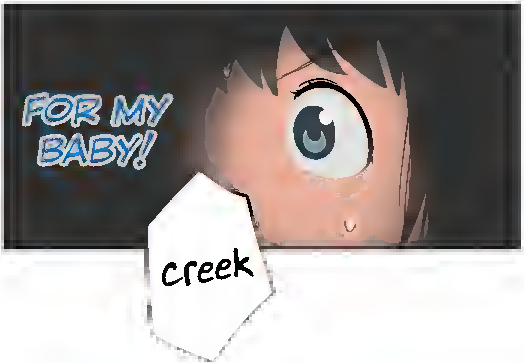
It's time to face the truth.



FOR MY BABY!
creek

Hi, mom!
I've had a bit of gas lately,
So my stomach is a little bloated... Haha?

N... Nop? You're here too?

Eh? *Too?* Is Jane here already?

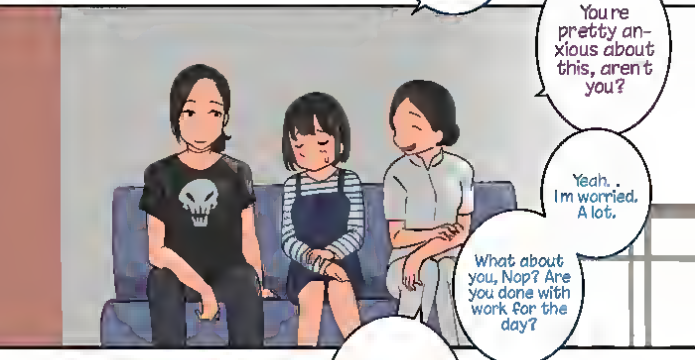
Heh, you still tried to lie... Cas. Hahaha

Such a cute lie.

Uwaa... Please, let's stop talking about it. I'm really stressed out right now.

Have you called your mother yet?

I tried. She didn't pick up...



You're pretty anxious about this, aren't you?

Yeah. . I'm worried. A lot.

What about you, Nop? Are you done with work for the day?

Yup. I wanted to come by and see if I could give you some advice.

And besides, you wouldn't be so stressed with someone next to you.

Oh... Thank you so much.

No need to thank me. Actually I really just wanted to be nosy

And now we're all here together, just like yesterday.

I didn't think both of you would come to see my last moments...

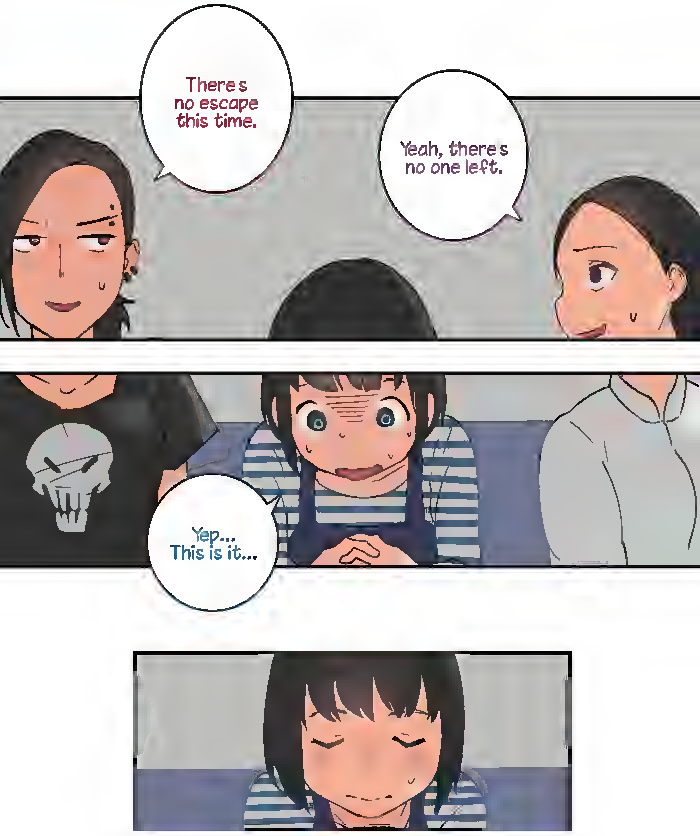
Aww, it won't be that bad. I've seen a lot of cases like yours in my life, and worst case scenario *you'll be slapped.*

N... Nop...

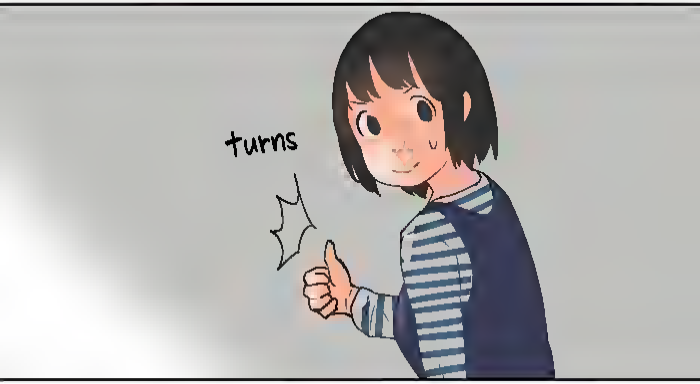
Just kidding. Don't worry too much.

Nop... Did you really...

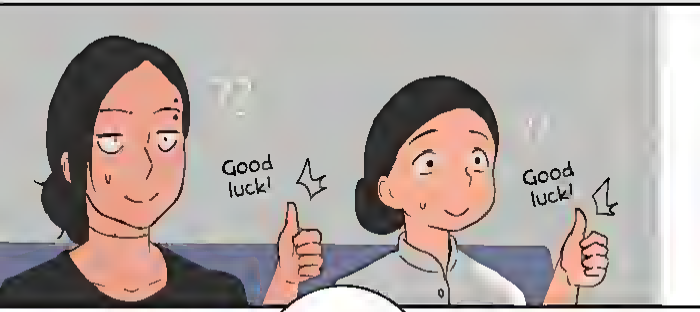
knock



There's no escape this time.
Yeah, there's no one left.
Yep... This is it...

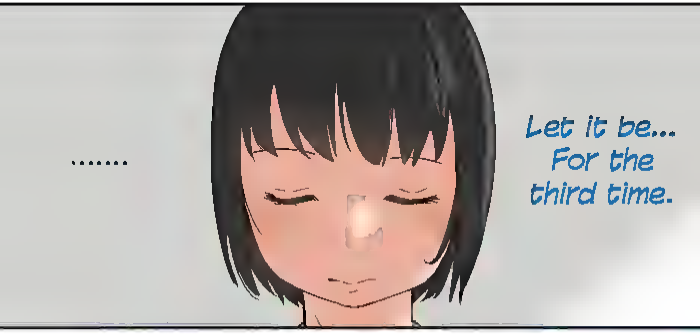


turns



Please don't try and use that lame trick again. Please.

No lie could go smoothly with your stomach like that.



Just accept the truth.
Whatever happens, happens.
All my friends are here.
I have nothing to worry about!
